Welcome!

Together with the 992
(Malmesbury) Squadron of the
Royal Air Force Cadets, we are
delighted that you have joined
us for this concert in celebration of 100 years of the RAF.

This afternoon's family Prom concert begins with some popular classical favourites before taking a short musical tour of the British Isles. We'll move on to enjoy music from stage and screen, before concluding with a selection of patriotic songs led by our soprano soloist, Rhiannon Milner.

We love it when our audiences join in. Children (of all ages!) are encouraged to move around, sing, dance, and enjoy the music. Please don't feel that there are any rules at our concerts, or that you have to sit in silence. We also really don't mind when you clap ...!

100% of the proceeds from today's concert will go directly to support RAFA, the RAF Association. The Association exists in the recognition that RAF personnel and their immediate families dedicate their lives to their country, and to ensure that such a sacrifice does not result in suffering, poverty or loneliness. Whether it's an injured airman fighting to get back on his feet, a young child missing their parent away on overseas operations, or a World War II veteran needing a shoulder to lean on, RAFA are there to help all generations of RAF Service personnel and their families. If you enjoy today's concert (or the refreshments!), please do give generously in support of this important cause.

Strings Incognito is a string orchestra based in Chippenham. If you have enjoyed listening to us, we really hope that you will look us up, come and see us play again, and perhaps even become a member. We rehearse and perform a range of entertaining and varied string music in a friendly, relaxed and supportive environment. Our members come from across Wiltshire and beyond, with different levels of musical experience, but we share a love of playing great music (and eating cake!). We enjoy organising family-friendly concerts, and we raise money for local and national charities. To date we have raised more than £3,000 through our concerts.

If you would like to find out more about the orchestra, you can find us online:
