## Welcome!

---

---

We're delighted to welcome you to the inaugural concert from Strings Incognito!

At today's concert we invite you to sit back, relax, and enjoy some tea and cake in an informal atmosphere – while we entertain you with a selection of wonderful pieces for strings.

Our programme takes us from well-loved classics through to some fun arrangements of popular film music, and we hope you'll enjoy listening to it as much as we have enjoyed rehearsing it.

## Supporting the National Autistic Society

---

---

We are very proud today to be supporting the National Autistic Society. 100% of the money we raise today will go to the charity – we've covered all our costs ourselves to make sure that your money goes where it is needed most.

The National Autistic Society is the leading UK charity for people with autism (including Asperger syndrome) and their families.

They provide information, support and pioneering services, and campaign for a better world for people with autism. They currently support 100,000 people a year – and with our help can support many more.

If you have enjoyed our music today – or our cake! – please consider giving something to this excellent cause. Every donation helps, no matter how big or small.

If you would like to find out more about the National Autistic Society and how they can help to support people with autism and their families, please visit their website at:

## About Strings Incognito

---

Strings Incognito is a new string orchestra based in Chippenham, Wiltshire. Our aim is to rehearse and perform a range of challenging and entertaining string music in a friendly and relaxed environment.

We meet every couple of weeks on Tuesdays or Thursdays. We are very keen to welcome new members, whatever stage you are at in your musical journey. Whether you're an experienced player, a newcomer to the world of strings or perhaps would like to dust off an instrument after a long break, you will find a warm welcome and a supportive and fun environment.
