Welcome!

We're delighted to welcome you to an afternoon of music from Strings Incognito!

At today's concert we invite you to sit back, relax, and enjoy some tea and cake in an informal atmosphere – while we entertain you with a selection of wonderful pieces for strings.

Our programme takes us from well-loved classics through to some fun arrangements of popular film music, and we hope you'll enjoy listening to it as much as we have enjoyed rehearsing it.

We love it when our audiences join in! Children (and adults!) are encouraged to move around, sing along, dance, and enjoy the music. Please feel free to get drinks and cakes at any time during the concert.

Supporting Jemima's Gift

We are very proud today to be supporting Jemima's Gift, a wonderful charity which raises money to provide opportunities for children to reach their full potential – in sports, the arts and in learning activities.

Jemima's Gift was set up in celebration of the life of Jemima Prees. Over the past 2 years, Jemima's Gift has raised more than £60,000 to bring new opportunities to children, helping them to live life to the full, as Jemima did.

Here are just a few examples of the children Jemima's Gift has helped to support:

Jemima's Gift provided this custom built tricycle for Dominic, which will allow him to cycle with his family and friends.

Genevieve is a very talented figure-skater – she is a member of the GB International Development Squad and is in the top national ranking for her age. Jemima's Gift is delighted to sponsor her training course.

Jemima's Gift supported Worton & Cheverell U10a football team on their summer tour to Manchester, meaning that all members of the team were able to join the tour.

Jemima's Gift has helped to introduce children to tennis, funding the Give It Your Max introductory course in three local primary schools.

Scott has cerebral palsy. Jemima's Gift provided a specially adapted bike which means that Scott can join his family on bike rides, and go running with his Dad.

Ed Goodman is a talented brass player and has been awarded a much coveted place in the National Brass Band of Great Britain. Jemima's Gift is delighted to be able to sponsor Ed to take up his place.

Jemima's Gift has also brought the gift of music to many other children, including supporting six children to take their grade 1 violin, providing piano lessons, funding a place in the National Children's Orchestra, providing music stands and a euphonium for a local silver band and an oboe for a local wind band.

If you have enjoyed our music today – or our cake! – please consider giving something to this excellent cause. Every donation helps, no matter how big or small. Every penny you give will go straight to Jemima's Gift to help them bring new opportunities to more children.
